

ANDREW CRAIG

Front End Web Developer

ABOUT:

Hello, my name is Andrew, I'm a Front End Web Developer based in Toronto. I am passionate about creating detailed, efficient and well styled work. I'm also interested in workflow speed (Emmet, SCSS and React) and programming knowledge that saves time. During my studies I worked in agile environments doing paired programming, group projects or working alone. I'm self motivated and dedicated to learning and growing in the industry. Outside of work I play guitar and read sci fi books. I've also recorded over 60 songs! Please feel free to contact me!
