

ANDREW CRAIG

Front End Web Developer

ABOUT:

Hello, my name is Andrew, I'm a Front End Web Developer based in Toronto, ON. I'm passionate about creating detailed, dynamic and well styled work, improving workflow speed (Emmet, SCSS and React) and learning programming knowledge that saves time. I have worked in agile environments both alone and as part of a team. I'm self motivated and dedicated to learning and growing in the industry. Recently I began Launch School's full stack, part time program. Aside from programming, my hobbies include playing guitar, writing music, and reading sci-fi novels!
